

Kieler Sanitary District e-Bill Sign up/Consent Form

The Kieler Sanitary District #1 offers the choice of our customers to receive their utility bills via e-bill. In order to switch your account from our standard letter bill to e-bill, the Wisconsin PSC requires the Sanitary District to obtain written consent and the customer's signature.

Bills will be sent from kielersd1@tds.net. The sanitary district billing system Workhorse Software generates the e-bill to the customers. Due to the large quantity of e-bills sent to customers at one time, your system may consider our emailed e-bill as spam. If you do not receive your email please look in your spam-junk folder. Once you sign up for e-billing you would then not receive the billing letter any longer.

Please provide the following information:
